To: Zia Membership dated March 8, 2024

We had a great outing to start the 2024 season. We were treated to good weather and a good lunch. It was great seeing everyone, and we did miss a few. We had 22 teams (43 players). Painted Dunes was great for early March. The weather was better than we expected, a bit chilly but tolerable. I hope everyone enjoyed the day and the golf. The only concern is slow play, we should never have 5 to 6 hrs rounds. If anyone has a suggestion on this subject, please give us your input. But again, thanks to all that participated and hope to see you at Alto and Outlaw. Please be sure to let Lee know that you will be participating via text or email, also get your payments in on time.

Lee and I are glad to be back this year after struggling with health issues all of last year. Believe it or not we missed you sandbaggers. In this new format of newsletters, we will include the Zia Seniors registration form, tournament schedule, individual entry forms, and intended payout schedule. We will not have ties instead we will have a scorecard playoff starting from the #1 handicap hole.

Eddie and Jim did a great job coordinating this year's schedule. It is a PITA job so thank them when you see them.

Lee continues to do a great job coordinating the pairings and flights. Notify him early of your intentions to play (or drop out) with plenty of time.

Larry keeps track of the money (collections and payouts)

Lonnie and Lee take of the handicaps for the winners (and losers).

Thank them all when you see them.

The next tournament is Thursday and Friday April 11th and 12th.

This will be Tee-Times starting at 8:30 not a shotgun.

If you have special needs coordinate with Lee to see if he can accommodate your starting time. I expect around 40-50 players so that is 10-12 Tee-times one every 8-10 minutes so the last Tee time might be 10ish. (I recommend the people that travel the farthest request the early T-times on Friday).

Pace of play needs to improve. We all teed off at the same time. At Painted Dunes the first group was in in 4hrs 17min, the other first 4 groups were in after 4hrs 25min. The last 4 groups were more than 5hrs and 20min. Encourage everyone to play ready golf, we normally play the ball up, minimized the time you look for your ball, remember double par is your friend and be considerate and it is OK to let the group behind you play through if you can.

From: "Zia Seniors President" *Joe Alvarez*

There is only one way to enter a Zia event and that is by returning the appropriate entry form to the P. O. Box, with the correct fees 11 days in advance. Entry forms will be included in the newsletters and be available for downloading from the club's webpage. All entries need to be received by the posted date on the entry form. If you think your entry will not make the above date notify a ZIA Golf officer by phone or text. Members are required to report their arrival at an event by checking in with the Pro Shop attendant at least 15 minutes prior to the scheduled event starting time or the SKIN's table.

CANCELLATIONS:

Any member may cancel his entry, for any reason, at any time up to **5 days** prior to the date of the event and receives his money back. Cancellations after this time are accepted only for medical emergencies, either for the member or a member of his immediate family. If you oversleep, forget, think the weather's bad, have car trouble, or come up with any of a thousand other reasons why you didn't show; you lose the entry fee.

2024 ZIA Senior Pay Out Schedule

Pay outs will be based on how many players are in each flight

We will try to keep the number of players per flight below 15.

In some cases we may exceed that... Below is a sample of what they will be

Ties will be broken by scorecard playoff starting with the #1 handicap hole.

All credit will go to the player's home course except for play at Alto Lakes

and The Outlaws at Alto. Credit will be used there and there is an

additional 15 to 20% discount on merchandize.
