

2020 Entry Forms

There is only one way to enter a Zia event and that is by returning the appropriate entry form to the P. O. Box, with the correct fees 11 days in advance. Entry forms will be included in the newsletters and be available for downloading from the club's webpage. All entries need to be received by the posted date on the entry form. If you think your entry will not make the above date notify a ZIA Golf officer by phone or text. Members are required to report their arrival at an event by checking in with the Pro Shop attendant at least 15 minutes prior to the scheduled event starting time. The club will no longer man a check-in table.

CANCELLATIONS:

Any member may cancel his entry, for any reason, at any time up to **5 days** prior to the date of the event and receives his money back. Cancellations after this time are accepted only for medical emergencies, either for the member or a member of his immediate family. If you oversleep, forget, think the weather's bad, have car trouble, or come up with any of a thousand other reasons why you didn't show; you lose the entry fee.
